## Machine Head - Bastards

Yesterday I told my sons  
Sometimes the bad guys win  
And that it made me scared about the world that we live in  
But I had to reassure them that it wouldn't be for long  
Sons we have to be ourselves  
We have to be strong

I said, Boys you are the future, so let this be a lesson  
There may come a day you have to fight off their aggression  
Cause fear and hatred won today, the darkness ate the light  
But both of you look in my eyes, it'll be all right

In every step you take  
I'm with you all the way  
Cause I would die for you  
And do what's right for you  
In hopes that when I'm gone  
You'll carry on  
These words I wrote for you

'Til then...  
I'll sing

Stand your ground  
Don't let the bastards grind you down  
Be bold, be strange  
Don't let their fears make you afraid  
There's hope  
They'll change

Well I looked out to the world today, thought What a bloody mess!  
They stripped our morals from us, put 'em under house arrest  
Liberty and country are the words they need to speak  
A little God, a little freedom, if we don't agree we're weak

And every politician stood there idle and so smug  
Empowering the racists and Second Amendment thugs  
Wall Street and the billionaires, convinced us they're so smart  
Screaming, Vote with your wallets, instead of with your hearts!

But we won't go away!  
You won't forget our name!

The pussy generation, the PC and the brave  
The protesters that slink along these streets of misery

And so...  
I'll sing

Stand your ground  
Don't let the bastards grind you down  
Be bold, be strange  
Don't let their fears make you afraid  
There's hope, we'll change  
We'll change  
We'll change

No, no, no, no, no  
We say, No, no, no, no, no  
Fuck no!  
No, no, no, no, no  
Fuck no!

So give us all your fuckers, all your niggas, and your spits  
Give us all your Muslims, the so-called terrorists  
We'll welcome 'em with open arms and put 'em in our mix  
We're better off together now, embrace our difference

Remember there is love!  
Our words can stop their guns  
Forget the rednecks  
Living in the past  
We're never going back now, we've reached critical mass!

And so...  
I'll sing

Stand my ground  
Won't let the bastards grind me down  
I'm bold, I'm strange  
Won't let their fears make me afraid  
There's hope, they'll change
